**ANIMANIAC'S PICK(S) OF THE MONTH**

One of the funniest mature comedies I've seen in awhile, Buttobi CPU [I Dream of Mimi] is a definite seller, but this ain't no kid flick. It's got nudity and mild sex that warrants the Suggested 17+ rating, but you'll never stop laughing. On the merchandise side, the new Tenchi Muyo! 12" fully articulated "Action Figures" are drawing crowds.
